"Taking this book down from our shelf we turn to the page which contains the twelve steps. Carefully reading the first five proposals we ask if we have omitted anything, for we are building an arch through which we shall walk free at last. Is our work solid so far? Are the stones properly in place? Have we skimped on the cement put into the foundation? Have we tried to make mortar without sand?" -Alcoholics Anonymous, p.75

"It has been repeatedly proven among us that upon this simple cornerstone a wonderfully effective spiritual structure can be built." -Alcoholics Anonymous, p.47

"Most good ideas are simple, and this concept was the keystone of the new and triumphant arch through which we passed to freedom." -Alcoholics Anonymous, p.62
