

Re-Entry Contact/Bridging the Gap

For those AA members willing to be temporary contacts

Male _____ Female _____

Name: _____

Address (Optional): _____

City (Required): _____

Phone: _____

(All information will be confidential)

We are in need of your help!

Experience has shown that an AA meeting on the first day of release from a prison, jail, or institution is one of the most effective tools for maintaining continued sobriety. A solid network of contacts throughout the Eastern Pennsylvania area and District 48 will foster a more successful transition for AAs. Help "Bridge the Gap" between the institution and the outside world for our fellow AA members.
