**DCM:** Liz F. reporting. **(1)** At the last quarterly area meeting there was one motion to formally adopt the Bridging the Gap pamphlets that have been in circulation for the last couple of years. The motion passed. **(2)** The final report for the 2024 General Service Conference agenda is being passed around. These are also available in digital format via the email Marca sent out earlier this week. **(3)** EPGSA is coming up. Please register if you have not already. This is a voting year. Registration for the hotel will close in early October. Please try to register on a computer – hotel registration doesn't work well on a mobile device. If you are attending, you must be seated at 8:45 on Saturday morning for roll call to be eligible to vote. Your home group should be paying your expenses to attend. Also, EPGSA is looking for donations for the hospitality room. EPGSA needs volunteers as well. There are cards with QR codes being passed around to sign up to volunteer. Also, the convention agenda is available, it's in the packet being passed around as well as on the email Marca sent out. The new area structure manual will be available at the conference. **(4)** Share-A-Day is October 6th. The focus will be on YPAA groups and District 68, our Spanish language district. **(5)** Proposed Agenda Items for the next General Service Conference are due September 30th. **(6)** The next panel of GSRs and Officers will be reporting here in December, that's when our quarter begins, so please make your homegroups aware that you need to start considering your service rotation and group elections.
