Treasurer's Report: Abbey reporting. Motion was made to accept the January treasurer's report. Motion passed. Statements were also presented for the district checking and savings accounts, as well as an updated contributions report and the proposed 2025 budget.

DCM: Anna A. reporting. She began with a summary from the DCM orientation and the GSR/Treasurer workshop, followed by information about this year's NERASSA conference and the Area 59 second and third quarterly meetings. She reminded the group about the two open committee chair positions (Workshops and Website) and clarified information about the co-ed adult unit meeting that is being created at White Deer. Lastly, data was shared about attendance rates at the district meeting, with a reminder to fill out raffle tickets for the quarterly raffle.

ADCM: Chuck S. reporting. He began with a reminder that the March and April district meetings will be moved to 7:30pm due to church events, so no steering committee sessions will be held on those dates. Committee chairs should also check their emails for test messages sent from the chair email addresses and please contact Anna in the next week if one was not received. Finally, panel members will be trying to attend every meeting in the district at some point soon. Any questions or concerns from GSRs or members at large are welcome as we try to carry the message forward.
