TRADITION ONE

Our common welfare should come first;
Personal recover depends on A.A. unity.

The Three Legacies of AA

Recovery: The First Legacy — It is traditional in AA that we do not make speeches; we talk about our own experiences and about the experiences of those around us.

Unity: The Second Legacy —Today we in AA are together, and we know we are going to stay together. We are at peace with each other and with the world around us. So many of our conflicts are resolved that our destiny seems secure.

Service: The Third Legacy —We *must* carry A.A.'s message; otherwise we ourselves may fall into decay and those who have not yet been given the truth may die.
