Bill W. – 1957:

“There is both a need and an obligation to save the history of our Fellowship within our Area. To be preserved for present and future generations. It is highly important that the factual material be placed in our files in such a way that there can be no substantial distortion.”

GSR/ Home Group Members/ AA members as a whole:

The archives need you!! We need to know what has been happening in your meeting. If your group/ meeting isn't on the website we have no information!! Meetings that are listed....has there been changes in the last 5 years? Can you tell us what has worked or hasn't worked? Why you chose your home group or how you became GSR? What makes your meeting different or unique from the other meetings? If nothing has changed let us know that too!

Any questions or need someone to help put it together contact Nicole @ archivist@district48aa.org
