July 2025

Are we now ready to let God remove from us all the things which we have admitted are objectionable?

When ready, we say something like this: “My Creator, I am now willing that you should have all of me, good and bad. I pray that you now remove from me every single defect of character which stands in the way of my usefulness to you and my fellows. Grant me strength, as I go out from here, to do your bidding, Amen.” We have completed *Step Seven*.
