I had the privilege of visiting Stepping Stones in Katonah, NY with a fellow AA. It is the home of Bill and Lois Wilson after Bills drinking lost Lois' family home in NYC. Located about an hour north of the city in the beautiful Catskill Mountains. Note the second picture, on the top of the chimney is the AA symbol. At the time there were no woods and this symbol could be seen from the RR station at the base of the hill. The last picture is Bills desk in "Wits End" an out building where he wrote the 12 & 12, AA Comes of Age and The Grapevine. Thank you Bill and Lois Wilson for changing my life.
